- * Municipality may prohibit the consumption of alcoholic beverages on those premises.
- * A person who violates the B.Y.O.B. statute is a disorderly person.

Scenario #1: There is a very popular “Paint & Sip” in your town which allows customers to B.Y.O.B. wine and beer to consume while painting. Is this allowed?

- A. Yes, as long as B.Y.O.B. is allowed in your town.
- B. No, because the statute allows B.Y.O.B. at a restaurant or dining room.
- C. Yes, as long as the Paint & Sip does not serve the alcoholic beverage.
- D. No, because they did not get a Social Affair Permit.

Remember:

- * B.Y.O.B. is for wine and beer only.
- * It is NOT a Division of ABC issue. Call Municipal or County Prosecutor for advice and information.
- * Violators can be charged with a Disorderly Person's Offense. Talk to your local Police Department.
- * Only Restaurants are permitted B.Y.O.B as of now.
- * ANSWER: "B"

Scenario #2: A local hair salon has signs posted stating “Bridal Party Special: Hair, Makeup & Free Champagne.” Can they give away a free glass of Champagne?

- A. Yes, because they are not selling it - - the champagne is free.
- B. Yes, if they have the proper permit.
- C. No, because they do not have a liquor license.
- D. No, because it is not offered to all clients.

Remember:

- * Under Title 33, this is a sale of alcoholic beverages, and the hair salon does not have a liquor license.
- * Municipal or County Prosecutor has the authority to prosecute disorderly persons offenses.
- The Division of ABC can only prosecute liquor licensees or permittees.
- ANSWER: "C"

Scenario #3: “Jose’s Cantina,” an un-licensed restaurant, offers a complimentary glass of wine or shot of Sambuca to you. Is this o.k.?

- A. Yes, as long as it is not tied to the purchase of a meal.
- B. Yes, as long as its free.
- C. Yes, as long as its less than a sample size of 1oz.
- D. No, because they do not have a liquor license and are not permitted to sell, serve or deliver alcoholic beverages, even if it is complimentary.

Remember:

- * They may allow B.Y.O.B. (if permitted by municipality) which is for beer and wine only, but they cannot offer complimentary alcoholic beverages.
- * It is NOT a Division of ABC issue.
- * Violators can be charged with a Disorderly Person's Offense.
- Only Restaurants are permitted B.Y.O.B as of now.
- ANSWER: "D"

Scenario #4: An Italian Restaurant, which does not hold a liquor license, is allowing its patrons to bring wine and/or beer into the restaurant to enjoy while eating. They provide glasses and ice to the customers. Is this allowable?

- A. Yes, as long as the local municipality does not have an ordinance prohibiting B.Y.O.B., and the patrons are at least 21 years old.
- B. Yes, as long as they do not charge a corkage fee and it is during hours that sales of alcoholic beverages are allowed.
- C. Yes, as long as patrons do not bring distilled spirits or mixed drinks.
- D. Yes, as long as they do not advertise B.Y.O.B.
- E. All of the above.

B.Y.O.B. STATUTE (N.J.S.A. 2C:33-27) States:

- A. No person who owns or operates a restaurant, dining room or other public place where food or liquid refreshments are sold or served to the general public, and for which premises a license or permit authorizing the sale of alcoholic beverages for on-premises consumption has not been issued:
1. Shall allow the consumption of alcoholic beverages, other than wine or a malt alcoholic beverage, in a portion of the premises which is open to the public; or

- B. Nothing in this act shall restrict the right of a municipality or an owner or operator of a restaurant, dining room or other public place where food or liquid refreshments are sold or served to the general public from prohibiting the consumption of alcoholic beverages on those premises.
- C. A person who violates any provision of this act is a disorderly person, and the court, in addition to the sentence imposed for the disorderly persons violation, may, by its judgment, bar the owner or operator from allowing consumption of wine or malt alcoholic beverages in his premises as authorized by this act.

GROWLERS

“Growlers” are usually a glass or ceramic container with a screw on cap or a hinged gasket cap that contains fresh beer.

Growlers were very popular after Prohibition ended.

With the increasing popularity of craft beers, growlers are becoming popular again.

GROWLERS

- Package goods store licensees **cannot** fill growlers. A holder of a "44" license **MAY NOT** sell or fill growlers.

- Growlers can only be filled by an on-premise consumption licensee. A Licensee **must** have a "33" or "32" license to sell or fill growlers.

Scenario #5: A packaged goods store licensee that holds a “32” license wants to sell growlers. Can they?

- A. Yes, “32” licenses are allowed to sell growlers.
- B. Yes, “32” licenses can sell growlers only if they have a bar.
- C. No, “32” licenses are not allowed to sell growlers.
- D. Yes, “32” licenses can sell growlers as long as they are consumed on the licensed premises.

Remember:

- * "32" licenses can operate as ("either-or, or both") a consumption licensee, a packaged goods store license, or both with no restrictions.
- * Note: "33" licenses may sell packaged goods and may look similar to a "44" or "32" license. don't make determinations about growlers based on the way the premises looks - - be sure to check what type of license they hold. Check the license number!

“POSSE ABC”

What is “POSSE ABC?”

POSSE ABC is a web-based system that utilizes a portal for Municipal Clerks/ABC Secretaries and Liquor Licensees to manage their licenses on-line. POSSE ABC will ultimately reduce work load, minimize effort and streamline the renewal process.

What does it do?

It changes the way municipalities, licensees and the Division of ABC interact with each other, and will bring ABC licensing into the 21st century. We anticipate that it will take time for all parties to become accustomed to the modernization of our licensing process.

This system is also new to the Division of ABC, and we must all work together to reap the benefits of POSSE ABC.

“POSSE ABC continued...”

The Posse ABC System will be implemented in phases.

Phase 1 is RENEWALS only!

Every municipality will have a “primary” municipal user who will access the municipal portal.

The Division will begin a new renewal process for the 2015-2016 license term.

- * Renewal applications can be filed online.
- * You should have received a letter from the State Division of ABC asking for a "Municipal User" e-mail address.

License Certificates

Certificates will be available for printing by Municipal Clerks once the Resolution is uploaded and sent to the Division of ABC.

Certificates for inactive licenses should be retained in your office until that time the license goes active.

Renewal Resolutions General Guidelines

All Resolutions should clearly list:

- * License Number
- * Licensee Name
- * Licensed Premise Location
- * Language Relating to Special Rulings (if applicable)
- * License Renewal Term
- * Date Adopted

Renewal Resolutions

- Once a resolution is adopted, forward to the Division.
- Your issuing authority has no jurisdiction to act on the renewal of license without an Alcoholic Beverage Retail Licensee Clearance Certificate for Renewal from the Division of Taxation.
 - › Check your confidential Web address
 - › Municipal Clerks may contact the [Division of Taxation's ABC Licensing Unit](#) at (609) 292-0043
 - › It is the licensee who must be in tax compliance.
- Licenses will not be considered renewed by ABC until your Resolution has been received by the Division.

Municipal Resolutions with Special Conditions

Resolution must specifically include any Special Conditions that are to be applied to the license for that license term only.

Conditions may not be imposed for matters not directly related to alcoholic beverage control.

For Special Conditions to become effective, they must be imposed at the time of issuance, renewal or transfer of a license.

Special Conditions may not be “revisited” during the license term, however, a Special Condition may be “relaxed” at any time during the license term by Resolution.

Copies of Resolutions imposing Special Conditions must be submitted to the Division.

Special Conditions – *The Good, the Bad and the Ugly!*

Good examples:

1. The licensee may not have or conduct any Teen, College or Hip Hop Dance Nights on the premises.
2. Alcoholic beverages may not be sold, served, delivered or consumed on the open exterior deck of the premises.

Bad examples:

1. A six month review shall be conducted by the police division to see if provisions are effective and if further restrictions are necessary.
2. See special conditions set forth in Resolution #2078 adopted November 10, 1999.

Ugly examples:

1. Failure to comply with special conditions shall constitute an automatic revocation of license.
2. The hours of sales of alcoholic beverages shall be limited from sunrise to sunset.

Transfer Facts

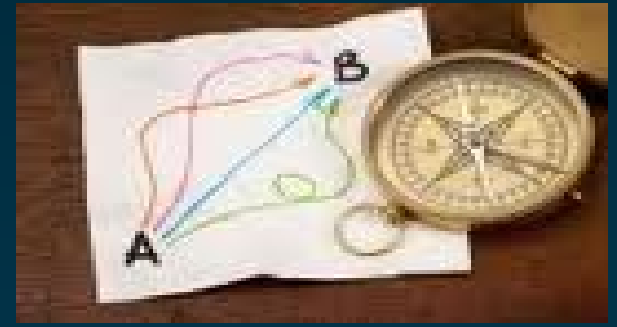

Person-to-Person

A person-to-person transfer is necessary when:

A license is to change from one person or entity to another.

Transfer Facts

A place-to-place transfer is necessary when a licensee wishes to:

- * Change the place where the license is sited (business location)
- * Site the license at an operating place of business following a period of inactivity “pocketed” (not sited at a business location)
- * Permanently expand the scope of the license premises
- * De-license a portion of the premises

Transfer Facts (continued...)

For a **PLACE-TO-PLACE EXPANSION** particular attention needs to be given to:

- The area in which the licensee wishes to extend must be contiguous or adjoin the permanently licensed premises.

- It is possible for a licensee to expand the licensed premises to more than one building on a property.

- No public or private thoroughfare may bisect between the facilities to be included under one license.

- All locations must be under the control of the same legal entity although different registered trade names may be used for each building.

NOTE: A voluntary abandonment of all of the licensed premises shall be a change of facts (amendment). A place-to-place transfer is not required. N.J.A.C. 13:2-7.2(d).

Transfer Requirements:

NOTICE OF PUBLICATION

– needed for all types of transfers.

CONSENT TO TRANSFER

– only needed for PERSON-TO-PERSON transfers.

TRANSFER TAX CLEARANCE CERTIFICATE

– only needed for PERSON-TO-PERSON transfers.

Note: The issuing authority has no jurisdiction to consider a person-to-person transfer application without a Consent to Transfer or receipt of a Tax Clearance Certificate.

Scenario #7: Tracy's Tavern, LLC, files a person-to-person transfer with your office. Licensee is fingerprinted and publishes notice. Tracy's Tavern, LLC, wants to operate licensed premises ASAP. Can you now transfer this license?

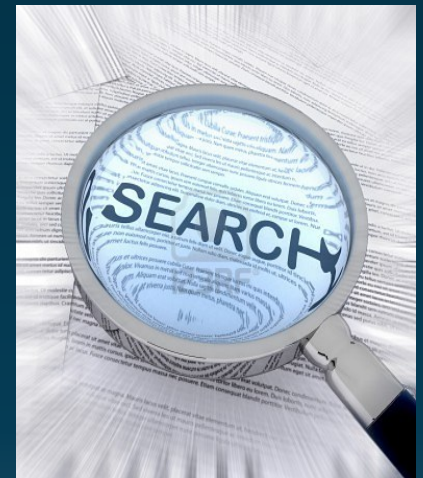

- A. Yes. Pass a resolution that states "transfer is contingent upon tax clearance."

- C. Yes. Pass a resolution that states "transfer is contingent upon closing between the two parties."
- D. All of the above.

Remember:

- * The text should be conclusive and may not be contingent upon future events.
- * Once approved, a license transfer cannot be reversed.
- * To correct an improperly transferred license, a new transfer procedure must be completed.
- * Forward resolution to the Licensing Bureau as soon as enacted by the issuing authority. (Via the municipal portal when Phase 2 is implemented.)
- * Division of ABC does not approve transfers.
- * ANSWER: "E"

Transfer Investigations by Municipality

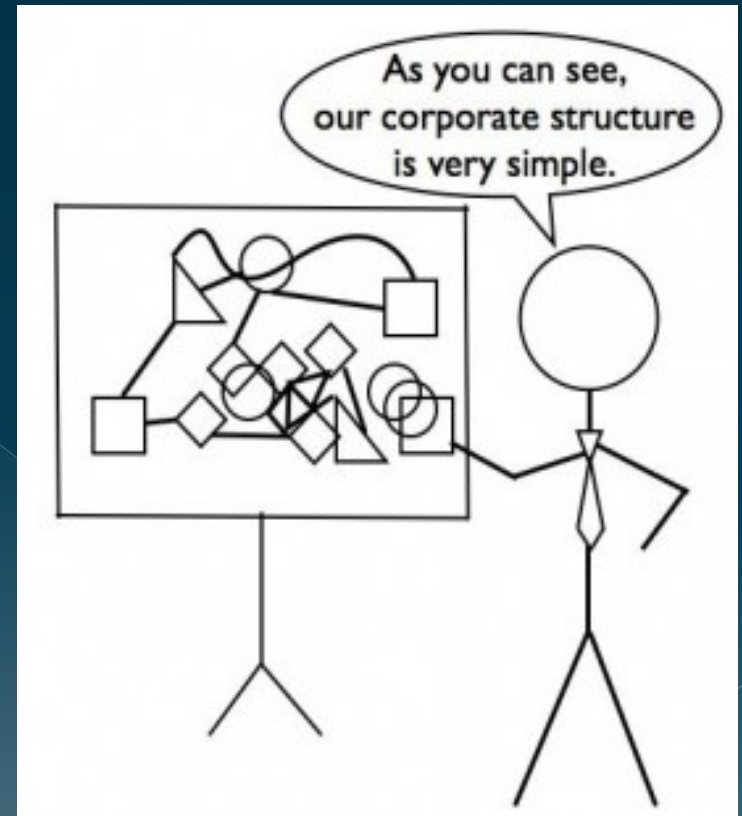

- Investigation by the issuing authority should include:
 - › fingerprinting
 - › a criminal background check
 - › financial disclosure documentation

THIS INVESTIGATION SHOULD BE
CONDUCTED BY THE POLICE DEPARTMENT.
(N.J.A.C. 13:2-7.7)

Corporate Structure Change

- When a change in the corporate stockholdings of a licensed corporation occurs, that change must be reported to the issuing authority **within ten (10) days** of the sale of the corporation's shares.

- Changes encompassing one-third or more of the total number of issued shares, the change must be reported by the filing of a complete 12-page application.
