Essex County will hold its annual fall seminar on Thursday, October 12, at the Verona Community Center. Call: 973-224-0197 for details six CEU's will be offered. For the first time we will welcome Graham Petto, P.P., AICP who will provide information on technical tools, interactive maps and other outreach techniques to engage the public, respond to Open Public Records Act requests and address other constituent needs, with a specific focus on Planning & Zoning. In addition, the session will review the role of local governments to assist in the 2020 Census through participation in the Local Update of Census Addresses Initiative by the U.S. Census Bureau.

Sadly for all Essex County Clerks we acknowledge the retirement and invaluable contribution of Stephen Berry, Jr., Deputy Municipal Clerk for Glen Ridge Borough for forty-five years of dedicated service.
